

Lincoln Center Customers: Technology Upgrades & Procedures

SECTION A – ONLINE RESERVATION

1. Purchase your daily parking at <https://www.lincolncenterparking.org> or <https://parking.com/nyc/lot/lincoln-center>
2. After your purchase, you will receive an email with your parking confirmation and a barcode to enter the garage.
3. When you arrive at the garage, please scan your barcode (as shown in figure 1) to enter the garage. The gate will then open and you can park.
4. When exiting, please once again scan your barcode where it says “scan barcode here” to exit. The gate will then open and you can exit the garage.

SECTION B – DRIVE UP (NO RESERVATION)

1. When you arrive at the garage, push for ticket, as shown in figure 2. The gate will then open.
2. When leaving, insert ticket, as show in figure 3.
3. Once your ticket is entered, insert a credit card, wave card or cash as your payment option as shown in figure 4. Please note that the equipment supports touchless and contactless payments at all automated payment devices.
4. Press the receipt button if you will like a receipt. The gate will open and you can exit the garage.
