Employment verification and ID are required to receive discounted rates

Daily Parking Directions

Option 1:

- When you arrive at the garage, push for ticket, as shown in figure 1. The gate will then open.
- Visit the Lincoln Center Self-Park Garage office to receive the daily discount of \$20 for 12 hours upon exiting.

Option 2:

- Visit the Lincoln Center Self-Park Garage office to pick up your Discounted Flash Pass. Once you receive your pass, please following the below instructions to add money to your card at the pay stations at the parking garage:
 - Please scan the keycard in front of the “hold keycard here for monthly payment” signage. This can be scanned at either of the pay stations.
 - Follow the instructions on the screen for the amount of money you would like to add to your pass.
 - To use your card, please scan it where it says “key card here” when entering and exiting the garage. The card will then deduct \$20 from your pass for every 12 hour stay when you exit the garage.

Weekly Parking Directions

Option 1:

1. Visit the Lincoln Center Self-Park Garage office to pick up your Discounted Flash Pass. Once you receive your pass, please following the below instructions to add money to your card at the pay stations at the parking garage:
 - A. Please scan the keycard in front of the “hold keycard here for monthly payment” signage. This can be scanned at either of the pay stations.
 - B. Follow the instructions on the screen for the amount of money you would like to add to your pass.
 - C. To use your card, please scan it where it says “key card here” when entering and exiting the garage. The card will then deduct money when you exit the garage.

Touchless Capabilities

The new parking equipment at Lincoln Center now supports touchless or contactless payments at all automated payment devices.

This includes credit cards, discount flash pass, key fobs, smart cards, or other devices, including smartphones and other mobile devices, that use radio-frequency identification (RFID) or near field communication (NFC, Apple Pay, Google Pay), or any bank mobile application that supports contactless) for making secure payments.
